Dear Friends

Jamia Hamdard, a unique centre for higher learning and knowledge is the dreamland of the Great Scholar Padma Bhushan Late Hakim Abdul Hamid sahab. The vision of Jamia Hamdard is to provide international quality higher education and undertake cutting-edge research in the fields of natural science & technology and social sciences

The mission of Jamia Hamdard is to promote and advance the cause of higher education through modern methods of teaching and advanced research in such branches of knowledge as the Jamia Hamdard may continue to develop core-competence for and as may be in consonance with the emerging needs of India in general and under-privileged communities in particular.

School of Unani Medical Education and Research (SUMER) is one of the school of Jamia Hamdard, dealing with Teaching and Training, Medical care and Research in the field of Unani medicine from the very inception of the institute. SUMER is engaged in popularization, rationalization and promotion of Unani Tib nationally and globally.

A faculty development programme is being organized in collaboration with UGC Human resource development centre, Jamia Millia Islmia. This faculty development programme is one leap forward in the academic endeavors of the department of Amraz-e-Niswan wa Qabalat, SUMER, Jamia Hamdard.
