Flag- Not looking at the screen (Appears when student is not looking in to the screen)

The screenshot displays a learning management system (LMS) interface. At the top, there is a green navigation bar with the logo 'MS' and a user profile for 'Dummy User'. Below the navigation bar, a sidebar on the left shows a 'Not Looking at Screen' flag in red text above a 'General' section, followed by 'MOCK EXAM' and 'UU : MOCK EXAM : SEM...'. The main content area is titled 'TERM END EXAM' and contains three questions. Each question is marked as 'Not yet answered' and 'Marked out of 1.00'. The first question asks for the antonym of 'begin' with options: a. commence, b. before, c. behold, d. end. The second question asks for the antonym of the underlined word 'improvement' in a sentence about a doctor's condition, with options: a. degradation, b. depression, c. change, d. deterioration. The third question asks for the kind of adverb in the sentence 'My father OFTEN goes for a walk after dinner.', with options: a. Adverb of Place, b. Adverb of Degree, c. Adverb of Manner, d. Adverb of Time/Frequency. On the right side, there is a 'Quiz navigation' section with a grid of question numbers (1-40) and three sections: 'Section - A', 'Section B (ATTEMPT ANY 5)', and 'Section - C (ATTEMPT ANY 2)'. At the bottom right, there are three circular progress indicators for 'hours' (0), 'minutes' (58), and 'seconds' (1).

Flag- No face detected (This flag appears when No person is in front of the screen.)

The screenshot shows an LMS interface with a green header bar containing 'LMS', navigation icons, and the user 'Dummy User'. A red error message 'No Face Detected' is visible in the top left corner. The main content area displays a quiz titled 'TERM END EXAM' with three questions. The first question asks for the kind of adverb in a sentence, the second asks for the antonym of 'trust', and the third asks for a proper verb. The right sidebar shows 'Quiz navigation' with a grid of question numbers and 'Section - A', 'Section B (ATTEMPT ANY 5)', and 'Section - C (ATTEMPT ANY 2)'. At the bottom right, there are three circular progress indicators for 'score', 'attempts', and 'correct'.

Flag- Device detected (The devices such as mobile phone is detected)

The screenshot shows a Moodle quiz interface. At the top, a green navigation bar contains the Moodle logo, a menu icon, and navigation links: 'Recent', 'All Courses', 'My Courses', and 'English (en)'. On the right of the bar, there is a user profile for 'Dummy User'.

On the left side, a sidebar shows a 'Device Detected' notification under the 'General' category. Below it, there are links for 'MOCK EXAM' and 'UU : MOCK EXAM : SEM...'. The main content area is titled 'TERM END EXAM' and includes a breadcrumb trail: 'Dashboard / My courses / TEE / MOCK EXAM / UU : MOCK EXAM : SEM I : JAN 2023 : ALL COURSES'.

The quiz consists of three questions:

- Question 1:** Not yet answered. Marked out of 1.00. Flag question. The question asks: "Which kind of adverb is the word in capitals? - "The opposition leader ENTIRELY agreed with the Prime Minister."". The options are: a. Adverb of Manner, b. Adverb of Time/Frequency, c. Adverb of Place, and d. Adverb of Degree.
- Question 2:** Not yet answered. Marked out of 1.00. Flag question. The question asks: "Name the antonym for the word "trust?". The options are: a. belief, b. disobey, c. mistrust, and d. dislike.
- Question 3:** Not yet answered. Marked out of 1.00. Flag question. The question asks: "Add a proper verb for the following sentence: " _____ either my father or my brothers made a down-payment on the house? ". The options are: a. Had, b. Have, c. All of these, and d. Has.

On the right side, there is a 'Quiz navigation' section with a grid of question numbers (1-40) and a 'Section B (ATTEMPT ANY 5)' section with question numbers 41-47. Below that is a 'Section - C (ATTEMPT ANY 2)' section with question numbers 48-50. At the bottom right, there is a 'Finish attempt...' section with a timer showing 0 hours, 51 minutes, and 49 seconds.

Flag- Away from screen (The student gets the below mentioned warning when he switches his tab)

The screenshot displays an LMS interface for a 'TERM END EXAM'. A modal box titled 'Quirio 2.0 - Information' is overlaid in the center, featuring a warning icon and the text: 'You moved away from the current exam window and this will be notified to your examiner. This is violation of the exam and may mark as malpractice.' Below the text is a 'Close' button. The background interface shows three questions, each with a 'Flag question' option. The right sidebar contains a 'Quiz navigation' panel with sections A, B, and C, and a progress indicator showing 0 correct, 50 attempted, and 37 wrong answers.

Flag- NO INTERNET- The student gets this notification while his connection is lost during the examination

The screenshot displays an LMS interface for a 'TERM END EXAM'. The page is titled 'MOCK EXAM' and shows three questions. A white notification box is overlaid on the screen, displaying the message: 'Internet not available, Cross check your internet connectivity and try again.' The notification box is centered over the first question, which asks: 'Which kind of adverb is the word in capitals? - "The opposition leader ENTIRELY agreed with the Prime Minister."' The options for this question are: a. Adverb of Manner, b. Adverb of Time/Frequency, c. Adverb of Place, and d. Adverb of Degree. The second question asks for the antonym of 'trust', and the third question asks for a proper verb to complete a sentence. The right sidebar shows 'Quiz navigation' with a grid of question numbers (1-47) and 'Section B (ATTEMPT ANY 5)' and 'Section - C (ATTEMPT ANY 2)'. At the bottom right, there are three circular progress indicators for 'Score' (0), 'Questions' (48), and 'Attempts' (8).

Message appearing on the student's screen

The screenshot shows a student's interface during a quiz. A central white modal box displays a warning message. The message text is: "Proctor Warning Message", followed by a yellow warning triangle icon, and then "More than 1 person has been detected". Below the message is an orange "Close" button. In the background, a video feed shows a student with a red "Multiperson Detected" overlay. A "Time left 2:39:16" timer is visible. The quiz navigation panel on the right shows "Section - A" with a grid of question numbers from 1 to 49. The question being attempted is "Question 52: Write any four Basic objectives of a firm?".

2.4 – Live Exam Feed

The screenshot shows the Qurio Admin Portal interface. At the top left, the Qurio logo and 'Qurio Admin Portal' are visible. On the top right, there are notification icons for 5 alerts, 28 messages, and 5 users, along with a profile icon. A sidebar on the left contains navigation icons for home, users, chat, and settings. The main content area is titled 'LIVE EXAM FEED' and shows a dropdown menu for 'Indian Institute of Banking & Finance (IIBF)'. Below this, a grid of 18 video feeds displays participants in a live exam session.

2.5 – Live Exam - Candidate Location

The screenshot displays the Kurio application interface during a live exam. The main window is titled "Geolocation" and shows the candidate's name as "Jayesh Shetty" and their enrollment number. A map of the Thane region in India is displayed, with a red pin indicating the candidate's location. A tooltip above the pin provides the candidate's geo-coordinates: Latitude: 19.2058593 and Longitude: 72.86612. The interface includes a sidebar with navigation options such as Dashboard, Student Management, Report, Proctor Management, Notification, Help Desk, Utility, System Setting, Exam Configuration, and System Log. The bottom right corner shows a control panel with a "Research and Development(RND)" dropdown, a grid of buttons, and "Previous" and "Next" navigation buttons.

2.9 Student's Screen after the exam is paused

The screenshot displays a student's exam interface. At the top left, there is a small video feed of the student. Below it, the text "My exams" is visible. The main header area shows a "QUIZ" icon and the text "DIPLOMA IN BANKING". A central white notification box with a red "no mobile phone" icon contains the text: "The proctor has paused your exam. Kindly wait for further instructions. Your exam will resume in: 4:41". To the right of this box, a red box with a shield icon says "Look into the screen" and "Look straight into the screen. You are currently looking at an object above the screen." Below the notification, a "Time left 0:26:32" is shown. The main content area features a question: "What does a positive gap suggest?" with four multiple-choice options: a. Assets are equal to liabilities, b. Assets are greater than liabilities, c. Liabilities are greater than assets, and d. Positive gaps do not generally occur in ALM. On the right side, there is a "Quiz navigation" section with a grid of question numbers from 1 to 20. A "Next page" button is located at the bottom right of the interface.

2.10 - Exam Recording - Recording will be available for Proctor to view for the next 15 days.

The screenshot displays the Quirio Admin interface for exam recording. The browser address bar shows the URL `portal.quirio.ai/ExamRecord/RecordedList`. The main content area is titled "CAPTURED CANDIDATE VIDEO(S)" and provides details for a candidate named Jayesh Shetty (Reg No.: ENR-012) who took the "Quirio Mock Exam".

Key statistics for the recording are shown in colored boxes:

- Other Person Detected: 0
- Not Looking at Screen: 52
- Multiperson Detected: 103
- Book/Device Detected: 121

A warning dialog box is overlaid on the screen, stating: "Warning! More than 1 person detected. This will be considered as cheating." The dialog includes a "Close" button.

The background interface shows a sidebar with navigation options such as Dashboard, Manage Candidate, Manage Proctor, Manage Org Hierarchy, Exam Configuration, Report, Notification, Utility, Manage Organization, System Setting, Manage Menu, and System Log. The main content area displays a quiz question: "Is Maharashtra your state?" with options "True" and "False".

The Windows taskbar at the bottom shows the system time as 12:26 PM on 27-Mar-23.

2.11 - Chat option- The proctor can chat with the student during the examination

The screenshot displays the Qurio Admin Portal interface. The top left features the Qurio logo and a sidebar with navigation options: Dashboard, Report, and Help Desk. The main content area is titled "Qurio Admin Portal" and shows a "WAITING ROOM - INDIAN INSTITUTE OF BANKING AND FINANCE (IIBF)". Below this, there are three status cards: "Pending Candidate(s)" with a clock icon and a count of 0, "Approved Candidate(s)" with a checkmark icon and a count of 0, and "Rejected candidate(s)" with a red 'X' icon and a count of 0. A red banner below these cards states "No Records Found". The right-hand panel contains a search bar, a "CONTACTS" section with a green "Online (0)" indicator, and a list of three contacts: Amit Ale (I100N1), Apoorva Singh (I100N3), and Sunil Bhatia (I100N2). A blue chat icon is located at the bottom right of this panel.

2.11 Advanced Analytics & Reports

Qurio has a complete and a dedicated admin dashboard for detailed analytics and logs.

The following reports and analytics are available in the Qurio portal:

- Live Proctor Summary
 - Recorded Proctor Summary
 - Student wise Exam Details
 - Exam Incidents Summary
 - Student Attendance Summary
 - Proctor Login Details
 - Assessment Report
 - App Download Details
-
