04th January, 2024 at 2:30 p.m.

Venue: Auditorium, First Floor, SPER Building

Interactive session with

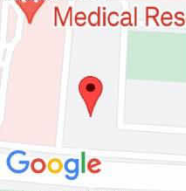

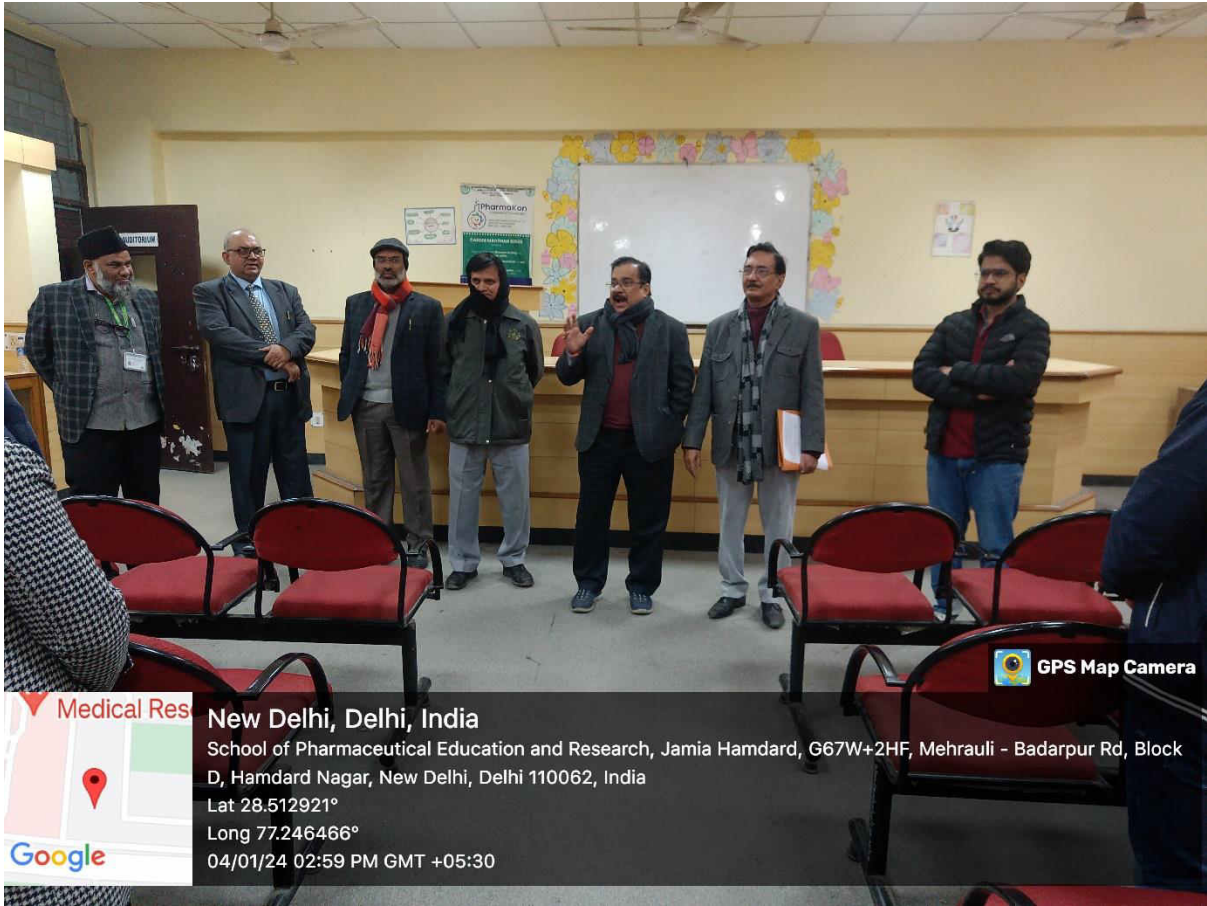

Dr. Amulya Kumar Panda
Associate Director, Panacea Biotec

A Interactive session was organized by the Department of Pharmaceutics, School of Pharmaceutical Education and Research on 04th January, 2024. The title of the Interactive session was “Recent trends and advances in drug delivery” The session aimed to provide insights into the dynamic landscape of the pharmaceutical industry, particularly focusing on advancements in drug delivery systems.

We were honored to have Dr. Amulya Kumar Panda, Associate Director at Panacea Biotec, graciously accept our invitation and share his expertise with the students and faculty members. Dr. Panda discussed various facets of the pharmaceutical industry, shedding light on current trends, job perspectives, and the ongoing modernization of drug delivery systems. The session proved to be an enlightening experience for all attendees. The lecture covered a spectrum of topics, including the challenges faced by the industry and the potential future developments. Dr. Panda's comprehensive presentation captivated the audience, providing valuable insights into the pharmaceutical landscape. His engaging discourse touched upon the problems associated with drug delivery and the evolving nature of these challenges in the face of technological advancements.

The session was not only informative but also interactive, featuring a thoughtful and engaging question-and-answer segment. Attendees had the opportunity to seek clarification and further insights from Dr. Panda, enhancing the overall learning experience. Such interactions contribute significantly to the academic and professional growth of our students and faculty, fostering a culture of continuous learning and innovation in the field of pharmaceuticals.

To provide a glimpse of the event, a collection of clips has been compiled, highlighting key moments from Dr. Amulya Kumar Panda's presentation and the subsequent interaction. These clips serve as a valuable resource for those who were unable to attend the session and offer a recap for those present.
