

ONE WEEK SHORT TERM COURSE (STC)
on
Export Import Procedures & Documents

Organised by
CENTER FOR TRAINING & DEVELOPMENT, JAMIA HAMDARD

About STC on Export Import Procedure & Documents:

International Trade has played a key role in the growth of the economy for every country, and it is being conducted by many companies for many years, however, the rate of growth in international trade has increased rapidly making sourcing/importing very crucial and this has meant that many companies have found that they do not have the relevant knowledge and know-how.

This training will look at the essentials of trade, import and export freight management and documentation. It will help you structure your approach by using analytical techniques to improve your companies' international trade operations. The Programme has been planned with Eminent speakers from Industry and Academics for the benefit of Faculty, Industry persons, Scholars and Post graduates.

The outcomes of the program are as follows:

- Understand the basics of export business
- Awareness of shipping terms encompassing INCOTERMS 2020
- Identify and understand different types of Export-Import documents
- Understand and interpret the various payment terms and financing in International Trade
- Understand various govt. schemes available to exporters and importers under Foreign Trade Policy
- Awareness of Central excise and custom clearance

Major Course Content:

- Incoterms 2020
- Export & Import Documents
- Pre and Post Export benefits available to Exporters
- Various Govt. Schemes available to Exporters under Foreign Trade Policy of India
- Central Excise & custom clearance of export and import cargo
- Export Credit Guarantee Corporation of India
